The following list of the published writings and addresses of Mr. Wilson is intended to cover the portion of his career extending from his undergraduate days at Princeton to his resignation of the Presidency of the University and his election as Governor of New Jersey. Since this is the first attempt at such a list it is necessarily incomplete. The compiler, therefore, takes occasion to ask Princeton alumni and others for information concerning additional titles, to be incorporated in a later edition. Kindly address such additions to the Reference Librarian, Princeton University, Princeton, New Jersey.
